

# Lightpack Trough Reflector & Wire Guard *Attachment*

A trough reflector suitable for use with single and twin lamp Lightpack luminaires (Not suitable for LPH/LPF). Optional wire guards clip onto metal reflector ensuring robust construction for lamp protection.

**APPLICATION**

Factories, schools, workshops, garages etc.

**SPECIFICATION**

Manufactured from mild steel.

Resilient white finish.

Packing – 10 pieces per carton except for:

1800mm and 2400mm which are packed 5 per carton.

**N.B.** This product is not designed to withstand onerous impacts from footballs/basketballs.

**EXPORT**

As for UK market. Also available for export is a smaller variation of the reflector allowing economy in freighting and packaging.
