The solution to all your electrical needs

Lamp Bank Purchase

Lockable Lamp Bank

- The convenient and easy way of storing waste lamps either sleeved or unsleeved.
- For companies who need to securely store waste lamps to prevent contamination of the surrounding area (e.g food factories) or companies whose premises are not secure.

Features

- Vented either end to help reduce the build-up of vapors, should a lamp be broken.
- Hinged and lockable lid mounted on pallet runners to allow easy movement from one area to another.

Fabricated in red epoxy coated mild steel allowing it to be used both inside and out.

Option 1. 6FT Container

- Accepts 600-1000 Tubes or lamps up to 6FT.
Standard Lamp Bank is 198cm wide, 75cm deep and 50cm high.
- Price for the container is £420.00 (You would then own this)

Option 2. 8FT Container

- Accepts 600-1000 Tubes or lamps up to 8FT.
Standard Lamp Bank is 240cm wide, 75cm deep and 50cm high
Price for the container £470.00 (You would then own this)

Additional Charges

Carriage for either option is £60.00

When the container is full our recycling team would visit your site at your convenience and recycle your lamps and tubes.
Price per lamp is then £0.45 Each

Waste transfer document £15.00
